

WARRANTY

LWO Corporation, manufacturer of the Woodway EZ Rail product line (“Woodway product”), warrants that for five (5) years from the date of purchase, Woodway product will be free from defects in material or workmanship, if installed according to its instructions.

All component parts of the Woodway EZ Rail series system must be utilized, properly installed, and used for the intended purpose. The EZ rail components must receive a finish coat within 90 days of installation. The sole obligation of LWO Corporation under this warranty is limited to replacement of defective product. The customer is responsible for any transportation costs. No other charges will be paid by Woodway.

This warranty specifically excludes any expense involved in the installation or finishing of any replacement products, or any other incidental or consequential damages of any kind. Any changes or improvements to the Woodway product are not covered by this warranty. Woodway does not warrant architecture, engineering, insufficient waterproofing or workmanship of other building components connected to Woodway materials.

Woodway makes no other warranties, express or implied, with respect to the product except as specifically stated here. WOODWAY DOES NOT MAKE ANY WARRANTY OF MERCHANTABILITY WITH RESPECT TO WOODWAY PRODUCT, OR THE APPLICATION OF WOODWAY PRODUCT. WOODWAY MAKES NO WARRANTY THAT THE MATERIALS ARE FIT FOR ANY PARTICULAR PURPOSE.

This warranty will be void if the buyer fails to use the Woodway component system, fails to properly install according to its instructions, fails to maintain the Woodway product, or misuses or overloads the Woodway product. In the event of a warranty claim, proof of purchase (including date of purchase) is required. For more information please call (800) 459-8718.
