

# Choice Product & Packaging

Woodway's quality machining and attention to detail make it acceptable for interiors in the finest of homes. Clean, precision moulding – consistently. No unpleasant surprises are buried inside the package.

All Woodway Planking comes labeled and bundled in strong shrink film. Pallets are cardboard wrapped for added protection.

Woodway Planking is a truly “forgiving” product for the do-it-yourselfer, and a terrific job site timesaver for the contractor.

## Solid Wood Plank Paneling Buyer's Guide
